

2010
Elkhart County 4-H and Agricultural Exposition, Inc.
HORTICULTURE DEPARTMENT

DIRECTOR – Phyllis Schortgen
Committee Head: Jerry Martin
Committee Members:
Larry Drudge, Paul & Marilyn Miles, Vickie Estep,
Jim Maddux, Helen Martin, Mary Hesser, Mary Riggs,

RULES
(No Pre-Registration)

PLEASE NOTE: Exhibits need to be brought in either Wednesday evening, July 21,
5-7 p.m. or Thursday morning, July 22, 7-9:30 a.m.!
Judging will be open to the public.

1. All articles to be entered must be brought to the Ag Hall on the fairgrounds between 5:00 and 7:00 p.m. on Wednesday, July 21, 2010, or between 7:00 and 9:30 a.m. on Thursday, July 22, 2010 in entry ready condition. **NO LATE ENTRIES.**
2. The public may observe the judging; however, contestants are asked not to converse with the judges or their exhibit will be disqualified. Plants and flowers will be judged first with vegetables being judged in the afternoon
3. Except as otherwise specified, exhibits will be grown by exhibitor. Accent material for arrangements need not be produced at home.
4. The exhibitor must have grown all flowers and vegetables.
5. Only one entry per person is allowed in each class.
6. **An entry fee of \$1.00 will be charged for the first exhibit in each section and \$.50 for each additional exhibit in that same section.**
7. Department officials reserve the right to determine classification. **No endangered species or noxious weeds shall be exhibited.**
8. "Unclassified" means entry types other than already listed.
9. Containers for cut flowers are the responsibility of the exhibitor. Container must be a clear glass vase or jar. (Label bottom of container with name, address & phone number for safe return.)
10. Cut flower entries requiring more than one flower should be the SAME COLOR and variety (with the exception of arrangements).
11. Maximum width for containers is 18 inches in diameter, weighing no more than 40 lbs.
12. All heights are measured from the soil line.
13. All potted plant containers must have a water saucer underneath the container to prevent leakage. Cookie sheets can be used for large plants. (Label bottom of container with name, address & phone number for safe return.)
14. The building is air-conditioned. Department officials will keep exhibits fresh.
15. Premiums will be paid for first, second & third places at the rate of \$2.50, \$2.00 & \$1.00 respectively.
16. Judges are instructed not to award premiums or places unless the exhibits are worthy.

17. Champion ribbons will be awarded. These awards are automatic, based on 3 points for first placing, 2 for second, and 1 for third. Overall trophies and special trophies are also awarded. A Best of Show ribbon and Reserve Champion ribbon will be awarded for sections 1, 2, 3-5, 6, 7, 8, 9, 10, & 11. (In case of a tie, winner will have the most 1st places.)
18. Premiums, ribbons and trophies may be picked up between 4:00 p.m. – 7:00 p.m. on Monday, August 2nd, after the fair, at that time you may pick up your entry.
19. All exhibits must remain in place throughout the entire fair week. (Unless discarded due to spoilage.)
20. The Horticulture Department will not be responsible for articles left after 7:00 p.m. Monday, August 2, 2010.
21. The Fair Board or its representatives are not responsible for theft or damage to articles.
22. Plant water schedule will be as follows: Saturday, July 24, Tuesday, July 27, and Friday, July 30, 2009.

CATEGORIES

Section 1: Potted Plants

(flowering must have blooms at time of showing)

1 variety per container

Class

- | | |
|---------------------------------|--------------------------------------|
| 1. Double African Violets | 8. Begonias (other – in bloom) |
| 2. Single African Violets | 9. Impatiens (regular) |
| 3. Ruffled African Violets | 10. Impatiens (double) |
| 4. Miniature Violets | 11. New Guinea Impatiens |
| 5. Geraniums | 12. Unclassified plants – (in bloom) |
| 6. Begonias (wax single flower) | Identify on entry card |
| 7. Begonias (wax double flower) | |

Section 2: Potted Plants

(foliage)

1 variety per container

Class

- | | |
|------------------------|---|
| 13. Strawberry Begonia | 16. Sanseveria (Snake Plant, Mother-In-Law's Tongue or Bird's Nest) |
| 14. Ficus (fig) Family | 17. Philodendron or Pothos |
| 15. Ivy | 18. Coleus |

- | | |
|------------------------------------|--|
| 19. Bromeliads | 23. Bonsai |
| 20. Hoya | 24. Unclassified Potted Foliage Plants |
| 21. Baby Tears or Creeping Charlie | |
| 22. Ferns | |

Section3: Cactus and Sand or Cactus Dish Gardens

(container no more than 18" in diameter)

Class

- | | |
|-----------------|--------------------|
| 25. Dish Garden | 29. Holiday Cactus |
| 26. Terrariums | 30. Aloe-Vera |
| 27. Cacti | 31. Hen & Chicks |
| 28. Succulents | 32. Unclassified |

Section 4: Planter or Dish Garden

(maximum 18" in diameter – maximum weight 40lbs.)

Class

- | | |
|--------------------------------|---------------|
| 33. Foliage- no buds or blooms | 34. Flowering |
|--------------------------------|---------------|

Section 5: Hanging Baskets

(one variety per container)

Class

- | | |
|-------------------|---|
| 35. Wandering Jew | 40. Philodendron or Pothos |
| 36. Swedish Ivy | 41. Unclassified, flowering |
| 37. Spider Plant | 42. Unclassified, foliage no blooms or buds |
| 38. Geranium | |
| 39. Impatiens | |

Section 6: Arrangement of Cut Flowers

(combination of flowers & foliage & MUST BE GROWN BY EXHIBITOR)

(stem lengths to best show flowers)

Class

- | | |
|---|--|
| 43. Arrangement using flowers with driftwood and/or shells or coral. | 48. Arrangement Zinnias |
| 44. Arrangement of fresh wild flowers, grasses, etc. (not endangered species) | 49. Arrangement Marigolds |
| 45. Arrangement of daisies | 50. Arrangement in a kitchen container |
| 46. Arrangement of cut foliage (no buds or blooms) | 51. Arrangement, all white (including accessories) (green foliage allowed) |
| 47. Arrangement of vegetables or fruit with flowers | 52. Arrangement of dried flowers, herbs, weeds, and grain |

- 53. Miniature arrangement 4" high or less, including container
- 54. Arrangement using red, white, and blue flowers
- 55. Arrangement of Gladiolus – may be larger than 24" wide

- 56. Holiday Arrangement
- 57. Centerpiece maximum 24" width-12" height
- 58. Arrangement unclassified

Section 7: Cut Flowers
(stem length and leaves to best show flowers)

- A. Each exhibit should be same variety & color per container, with leaves
- B. Day Lilies must be 1 stem with at least 3 buds & with at least 1 bloom open, without leaves
- C. Displayed in clear (uncolored) vase or jars
- D. Label bottom of container with name, address & phone number for safe return
- E. No leaves required on other lilies, Gladiolus, or Gerbera Daisy.

Class

- | | |
|--|---|
| <ul style="list-style-type: none"> 59. Snapdragons, 3 spikes per container 60. Miniature Zinnias, 3 blooms per container 61. Regular Zinnias, 3 blooms per container 62. Large Marigolds, 3 blooms same variety per container 63. Small Marigolds, 3 blooms same variety per container 64. Gladiolus, 3 stems same variety per container 65. Rose, 3 blooms same variety per container 66. Daisy, 3 blooms per container (Small under 2") 67. Daisy, 3 blooms per container (Large over 2") | <ul style="list-style-type: none"> 68. Lilies (remove pollen) 69. Daylilies (cut stamens before displaying) see B above 70. Sunflowers, 3 small 71. Sunflowers, 1 large 72. Dahlias, 3 - 1"-6" blooms 73. Dahlias, 1 - 6" and greater bloom 74. Unclassified garden flowers, 3 - 3" and under blooms, labeled with name of variety 75. Unclassified garden flowers, 3 - 3"-6" blooms labeled with name of variety 76. Unclassified garden flowers, 1 - 6" and over bloom, labeled with name of variety |
|--|---|

Section 8: Grains and Hay

(CLEAR UNCOLORED GLASS CONTAINER – GRAINS WILL NOT BE RETURNED.)

Class

- | | |
|--|--|
| <ul style="list-style-type: none"> 77. Legume hay, one 6" center section of bale or equivalent 78. Grass hay, one 6" center section of bale or equivalent 79. Mixed hay, one 6" center section of bale or equivalent 80. Wheat, 1qt. | <ul style="list-style-type: none"> 81. Oats, 1 qt. 82. Corn, 1 qt. 83. Soy beans, 1 qt. 84. Field Corn, 5 ears 85. Indian corn, 5 ears 86. Popcorn, 5 ears 87. Unclassified grains, 1 qt. |
|--|--|

Section: 9 Above Ground Vegetables

(All entries become the property of the fair and will not be returned.)

- A. Tomatoes must be ripe
- B. Leave wrapper on Cabbage (no more than 6)
- C. Do not husk corn

Special Trophy – Elizabeth (Betsy) Hibshman Memorial trophy for the top Artistic Herb Display.

Eligibility for these awards is automatic, based on 3 points for each first placing, 2 for second, 1 for each third. In case of a tie, winner will have most 1st places.

2010 GUIDELINES – (These suggestions may help your exhibit win)

CUT FLOWERS

1. Flowers are free from injury or damage.
2. Shape and size of flowers are typical for the variety.
3. Flowers are clean, fresh, and free of pollen on petals.
4. Flowers are one variety and uniform in size.
5. Stems are straight, clean, and undamaged.
6. Leaves are clean, healthy, and undamaged.

VEGETABLES

Do not peel onion or remove leaves from cabbage.

Do not clean vegetables by harsh washing or vigorous scrubbing.

1. Overall attractiveness. Clean, roots trimmed.
2. Uniformity: Size, shape, color, type, and variety development.
3. Prime, edible condition, fresh. Best usable size and maturity.
4. Freedom from injury or damage: Insects, weather, growth, handling and sunburn.

PLANTS GROWING IN CONTAINER

Foliage plants must have no buds or blooms whatsoever. Flowering plants must be flowering.

Avoid leaf cleaners or shines that contain heavy oils or waxes, except for dried gourds.

1. Plant is attractive, clean, and undamaged.
2. Plant is healthy, well established, and growing vigorously.
3. Container is compatible with size.
4. Container is clean and suitable for growing a plant.

FLOWER ARRANGEMENTS

Geometric (triangle or cone) shaped flower arrangement is preferred over other shapes by most judges.

1. Lines establish a strong focal point (preferably the center).
2. Flowers are in scale with container and each other.
3. Flowers are fresh and undamaged.
4. Foliage and accessories supplement and enhance flowers.
5. Flowers not crowded.
6. Each flower contributes to the arrangement.

AGRICULTURE PRODUCTS

1. Uniformity of produce.
2. Condition (old, young, wilted, dirty).
3. Appetizing – appearance
4. Proper handling
5. Insect free and disease free

MISCELLANEOUS

1. Overall attractiveness
2. Uniformity: Size, shape, color, type, and variety development.
3. Freedom from injury or damage: Insects, weather, growth, handling & sunburn.
4. Height
5. Length
6. Width
7. Balance
8. Use of Color
9. Originality
10. General Attractiveness
11. Workmanship (if applicable)
12. Choice of material
