**RULES**

**(No Pre-Registration)**

**PLEASE NOTE: Exhibits need to be brought in either Wednesday evening, July 20,  
5-7 p.m. or Thursday morning, July 21, 7-9:30 a.m.!**  
**Judging will be open to the public.**

1. All articles to be entered must be brought to the Ag Hall on the fairgrounds between 5:00 and 7:00 p.m. on Wednesday, July 20, 2016, or between 7:00 and 9:30 a.m. on Thursday, July 21, 2016 in entry ready condition. **NO LATE ENTRIES.**
2. The public may observe the judging; however, contestants are asked not to converse with the judges or their exhibit will be disqualified.
3. Except as otherwise specified, exhibits will be grown by exhibitor. Accent material for arrangements need not be produced at home.
4. The exhibitor must have grown all flowers and vegetables.
5. Only one entry per person is allowed in each class.
6. **An entry fee of \$1.00 will be charged for the first exhibit in each section and \$.50 for each additional exhibit in that same section.**
7. Department officials reserve the right to determine classification. **No endangered species or noxious weeds shall be exhibited.**
8. “Unclassified” means entry types other than already listed.
9. Containers for cut flowers are the responsibility of the exhibitor. Container must be a clear glass vase or jar. (Label bottom of container with name, address & phone number for safe return.)
10. Cut flower entries requiring more than one flower should be the SAME COLOR and VARIETY (with the exception of arrangements).
11. Maximum width for containers is 18 inches in diameter, weighing no more than 40 lbs.
12. All heights are measured from the soil line.
13. All potted plant containers must have a water saucer underneath the container to prevent leakage. Cookie sheets can be used for large plants. (Label bottom of container with name, address & phone number for safe return.)
14. The building is air-conditioned. Department officials will keep exhibits fresh.
15. **Premiums will be paid for first, second & third places at the rate of \$2.50, 2.00 & \$1.00 respectively.**
16. Judges are instructed not to award premiums or places unless the exhibits are worthy.

17. Champion ribbons will be awarded. These awards are automatic, based on 3 points for first placing, 2 for second, and 1 for third. Overall trophies and special trophies are also awarded. A Best of Show ribbon and Reserve Champion ribbon will be awarded for sections 1, 2, 3-5, 6, 7, 8, 9, 10, & 11. (In case of a tie, winner will have the most 1st places.)
18. Premiums, ribbons and trophies may be picked up between 3:00 p.m. - 6:00 p.m. on Monday, Aug. 1st 2016 after the Fair, at that time you may pick up your entry.
19. All exhibits must remain in place throughout the entire Fair week. (Unless discarded due to spoilage.)
20. The Horticulture Department will not be responsible for articles left after 6:00 p.m. Monday, Aug. 1st, 2016.
21. The Fair Board or its representatives are not responsible for theft or damage to articles.
22. Plant water schedule will be as follows: Saturday, July 23rd, Tuesday, July 26th, and Friday, July 29th, 2016.

### 2016 GUIDELINES - (These suggestions may help your exhibit win)

#### CUT FLOWERS

1. Flowers are free from injury or damage.
2. Shape and size of flowers are typical for the variety.
3. Flowers are clean, fresh, and free of pollen on petals.
4. Flowers are one variety and uniform in size.
5. Stems are straight, clean, and undamaged.
6. Leaves are clean, healthy, and undamaged.

#### VEGETABLES

Do not peel onion or remove leaves from cabbage.

Do not clean vegetables by harsh washing or vigorous scrubbing.

1. Overall attractiveness. Clean, roots trimmed.
2. Uniformity: Size, shape, color, type, and variety development.
3. Prime, edible condition, fresh. Best usable size and maturity.
4. Freedom from injury or damage: Insects, weather, growth, handling and sunburn.

### **PLANTS GROWING IN A CONTAINER**

Foliage plants must have no buds or blooms whatsoever. Flowering plants must be flowering. Avoid leaf cleaners or shines that contain heavy oils or waxes, except for dried gourds.

1. Plant is attractive, clean, and undamaged.
2. Plant is healthy, well established, and growing vigorously.
3. Container is compatible with size.
4. Container is clean and suitable for growing a plant.

### **FLOWER ARRANGEMENTS**

Geometric (triangle or cone) shaped flower arrangement is preferred over other shapes by most judges.

1. Lines establish a strong focal point (preferably the center).
2. Flowers are in scale with container and each other.
3. Flowers are fresh and undamaged.
4. Foliage and accessories supplement and enhance flowers.
5. Flowers should not be crowded.
6. Each flower contributes to the arrangement.

### **AGRICULTURE PRODUCTS**

1. Uniformity of produce.
2. Condition (old, young, wilted, dirty).
3. Appetizing - appearance.
4. Proper handling.
5. Insect free and disease free.

### **MISCELLANEOUS**

1. Overall attractiveness
2. Uniformity: Size, shape, color, type, and variety development.
3. Freedom from injury or damage: Insects, weather, growth, handling & sunburn.
4. Height
5. Length
6. Width
7. Balance
8. Use of Color
9. Originality
10. General attractiveness
