“Path to Health” Treasure Hunt participation invitation

Greetings! We are full speed ahead planning the 2017 Kem Krest Kids Day at the Elkhart County 4-H Fair! As always, we have a very busy day planned for our little guests. A large piece of Kids Day is the treasure hunt. You may be familiar with the treasure hunt, but here is a brief description.

The treasure hunt's focus is to inform families about healthy activities and services that are offered in our community. We invite select organizations that reflect physical, mental, spiritual, educational and emotional health to set up a space in Heritage Park that is a treasure hunt stop. Each organization is required to create an interactive activity that the kids complete while visiting their station. Once the activity is completed, the organization marks off their logo on the child's treasure hunt map. Children that complete 80% of the hunt enter a drawing for prizes which include Lincoln Avenue bicycles, razor scooters and carnival ride tickets. Typically, 1500-2000 children participate in the treasure hunt. The space and activity created should be a reflection of your organization and what it offers families in the community. This is a great opportunity to market your services to many faces. There is no charge to have a space. My goal is that families will be exposed to great things they can be involved with throughout the year.

If you would like to reserve a spot for your organization this year, please fill out the enclosed form and return it by June 15, 2017. Please do not hesitate to call me with any questions or brainstorming ideas for an activity.

Sincerely,

Diane Wheatley, Elkhart County 4-H Fair Board member, Kids Day Director
