

Elkhart County 4-H Fair

July 21-July 29, 2017

Interested in exhibiting at one of the largest county fairs in the nation?

Elkhart County, located in northern Indiana, is one of the largest counties in the state with a population of 199,619 (2012). In addition, the nearby metropolitan area of South Bend has a population of 266,344 (2012). With this population to draw from, the Elkhart County 4-H Fair hosted 183,461 visits in 2016.

The Elkhart County 4-H Fairgrounds represents 384 acres of fun during our nine-day event held annually in July. Our on-going goal is to have something for everyone and our commercial exhibits & food concessions are a major factor in that effort.

Our Inside Commercial Exhibits program consists of 3 Commercial Exhibit Buildings that house 275 10' X 10' spaces. Building A is our largest with 167 spaces. Building E & F each have 52 spaces. Spaces in these buildings rent for **\$385.00 plus tax for inline spaces and \$440.00 plus tax for premium spaces.**

An additional requirement is liability insurance coverage. Each exhibitor is required to furnish a **Certificate of Insurance showing \$1,000,000.00 with an aggregate of \$2,000,000.00** for liability and property damage.

Please complete the application and return it at your earliest convenience. In the early winter, our volunteer Directors of Commercial Exhibits issue contracts to all exhibitors of the previous year. Sometime in March, the volunteers begin issuing contracts to new applicants. When we receive your completed application, we will put you on our waiting list for available space. Contracts will be issued to applicants, as spaces become available.
